Public Service Loan Forgiveness is an excellent opportunity for many of you to save a significant amount of time and money on your student loans. If you do not qualify for student loan forgiveness, re-financing options are available.

IF PSLF MAKES SENSE, YOU WILL BE ABLE TO:

- **Immediately** lower monthly student loan payment
- **Reduce** your student loan obligation
- **Significantly reduce** your cost of earning additional degrees
- **Receive** a personalized 10-year loan forgiveness plan outlining your savings

Do not refinance your loans until you find out if PSLF is right for you **FIRST**. Doing so will make you ineligible for future student loan forgiveness.

## FINANCIAL PEACE OF MIND

"We aren't millionaires, and with three kids every dollar counts. I have a lot more financial peace of mind after working with ISLS. My student loan debt was such a huge stress hanging over my head, and I resigned myself to paying on it forever. What choice did I have but to chip away at it the best I could? I am grateful my HR Department shared the information about ISLS and provided us with a better solution."
